

INTERNATIONAL SUMMER SCHOOL OF ASTROBIOLOGY
Co-sponsored by the NASA Astrobiology Institute (NAI)
and the Spanish Centro de Astrobiología (CAB)

Earth's Extremophiles and Extraterrestrial Habitability

UIMP, Santander, Spain, June 22–26, 2009

Application for Student Support

NAI, CAB, and UIMP will together provide full support (round-trip airfares, accommodations, meals, school fees) for approximately ten young American astrobiologists (mainly graduate students and postdocs) based on a brief application procedure. To apply, email the following information to Bruce Runnegar (runnegar@ucla.edu) before **APRIL 24.**

Full name as shown on passport

Nationality

Institution (e.g., University of California, Los Angeles)

Mailing address

Advisor's name and email address

NAI team (if applicable)

City of residence

Phone number

A short statement (~one page) giving reasons for wishing to participate in this Summer School.
